

2nd June 2018.

Dear Clerk to the Council,
Re - Tour de Yorkshire 2019

I am writing to ask if Councils would support, in principal, the East Yorkshire leg of the Tour de Yorkshire Cycle race?

I have written to ERYC, Chief Executive officer and I have received a reply from Mr. Burnett, Head of Asset Strategy which is very supportive.

My proposal would be to start in Beverley (as this year to Hamsea) to Withemsea via Woodmansey, →

East Hull, Bitton, Preston → Heda
and then through Halstam, which is
more challenging to professional cyclist,
or Revingham → Patrington to
Withernsea.

I look forward to receiving comments
from Woodmansey Parish Council.

yours sincerely

P.S. I have a lead article in
this week's (31st May 2018 issue) Holderness and East Riding
Gazette which gives more information
